https://forms.gle/kJLn1THG3gib6Zhx9
Following is the text from the mail received from the company:
Job Description for Open Positions:

Company: iTinker (www.itinker.in)
Duration:1-6 months
Working hours: flexible (work from home), 1-9 hours per day based on your
involvement & interest

About iTinker: We aim to provide best in class learning methodologies &
technologies to make children future ready. We offer a hands-on learning
platform for school children to learn skills & technologies they will
actually use in the future and improve their employability worldwide.

Technologies we are working in:
1.   Internet of Things
2.   3D printing and modeling
3.   Mobile App Development
4.   Drones& Aviation
5.   Game Development
6.   Graphic Designing
7.   Augmented & Virtual Reality
8.   Artificial Intelligence &Machine Learning

What we are looking for:
Self-driven individuals looking to play their part in changing the Indian
education system for better. You DO NOT need to have a working knowledge
of the above technologies, except for tutor roles (you will also have
access to these trainings on our professional platform)

Open Roles(Both for internship & part-time work) -
1.   Technology Tutors (for teaching above technologies to children
2.   Sales Associates
3.   Graphic Designers
4.   Web Developers
5.   Video Designers
6.   Content Writers

Perks Offered:
1.   Potential to earn up to INR 30k per month
2.   Opportunity to work in an IIM Calcutta alum start-up
3.   Work with a young and dynamic team (Average age 21 years)
4.   Certificate of Internship/Part-time
5.   Letter of Recommendation (select interns only)

Thanks,
